Food, Glorious Food!

Dear Families,

Due to a bereavement, Mrs Lambert, our school cook will not be at work on Tuesday or Wednesday of this week.

For these days, the children will be having a picnic lunch – which we know that they will enjoy! We just wanted to let you know as we always like to keep you in the loop with any menu changes.

Following our daily monitoring of what the children have enjoyed eating and from the feedback that some of you have shared with us, there will be a revised menu starting after half term. This will be shared before the start of the new term.

Thank you in advance for understanding.

Harvest Time!

Next year, we will have a 'proper' harvest festival, but for this year, we are hoping to collect a few items for a local foodbank. We will use the collection to talk about sharing, caring and helping. All of which fits in with our ultimate aim of growing our children beyond academic subjects.

If you are able, please could you simply send one or two items of tinned food to school by Friday so that we can talk about our collection and what will happen to it on Friday afternoon? We will share the items with 'The Beacon' which is a garrison charity close to many military personnel's heart.

Parking

Please use the car park to drop off and collect your children. It has recently been extended so we should all fit in! Parking on the entrance road is causing a bit of an obstruction at times – particularly for any disability vehicles who need to use this area. We hope that you understand this request.

Yours sincerely,

Mr. M. Dent
Executive Headteacher
Cambrai Primary School
